

# Basics Fabric Colors

Motionwear fabrics are the best available, and are known for exceptional colorfastness, comfort, and wearability. Basics styles on page 14 can be ordered in these fabrics and colors.

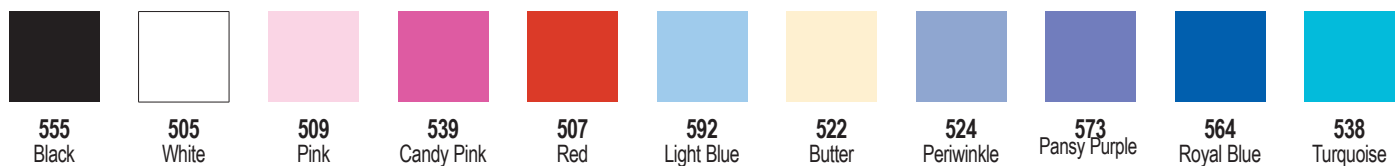

## Silkskyn Colors

Silkskyn is a high-tech Tactel® Lycra jersey knit uniquely suited to the demands of the gymnast. Advanced microfiber design offers good breathability and moisture wicking. The stretch of Silkskyn fabrics is comfortable yet firm, providing extra support.

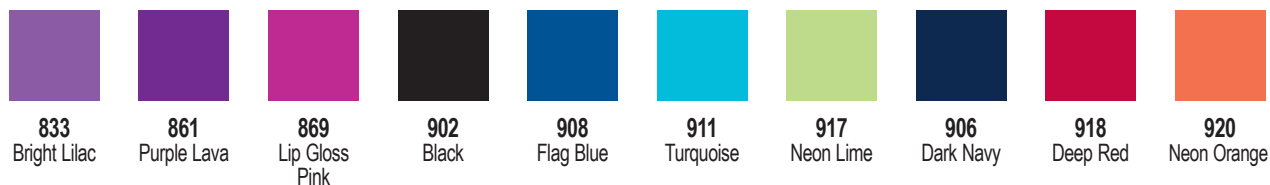

## Cotton Colors

Motionwear Cotton spandex is a soft durable cotton with plenty of spandex for stretch and support. It holds color well and provides a comfortable fit. This is an excellent fabric for the day-to-day rigors of gymnastics.

## Velour Colors

Plush poly spandex velours offer comfort, durability, and a rich look and feel.

# Sizing

Use this chart for sizing Motionwear leotards. These are general guidelines, and sizing by this chart does not always guarantee the best fit. We recommend fitting with the actual garment and style to determine the size best suited to the individual.

All sizes are measured in inches.
